

EBOOKS – USER GUIDE

***PLEASE NOTE: When downloading ebooks whether at College or at home, make sure you have enough disk space, as some of the ebooks are very large. If you do experience problems, try downloading onto a USB stick instead.**

[To access the e-books catalogue e-books catalogue click here](#)

Here are a few points to remember:

- All the resources appear in PDF; it is recommended that **Adobe v.8 or above** is downloaded for computers at home, in order to view ebooks; advice on this is provided on each platform.
- There is an option to copy and print within all resources although this is limited, usually to **5%** of the book. This will be worked out for you.
- It is possible to skip to any page by inputting the page number in the PDF toolbar. There is also the option of searching for keywords within the text of an ebook, making notes and then downloading and saving these.

Dawson Books

The cursor appears in the Quick Search box on the homepage. Users may read online **as long as needed**. Click on the 'Read Online' tab or click on a title to view a summary of the book and the option to download. Ebooks can be downloaded for upto 3 days.

Ebrary

Once an ebook has been selected, you may wish to view it in the **Ebrary Reader** – this will take a couple of minutes to download. Please be aware that your viewing session will be terminated following a period of inactivity.

Ebook Library

Users may search by title, keyword, author etc. Click on the title for the option to read online or to download. The text can be enlarged by using the tabs at the top of the page. It is possible to scroll through a whole book without the need to use the arrows. There is a **10 minute browse time** on owned copies, after which a message will ask whether you want to continue. You will then have the option of **continuing to read online or to download the book**.

Ebook Library offers the option to listen to the ebook by using the 'Read Aloud' tab in the PDF toolbar; earphones are required. Students may not be able to use this option at College. Ebooks can be downloaded for upto 7 days.

Netlibrary

On the homepage, click on '**Athens Users Login here**' link to start searching. Search for the title, author etc from the following page. Results will normally appear from ebooks that we own. To view all books we own, click on the 'ebooks' link in the 'In Our Collection' box on the right of the page. To view all titles available in Netlibrary, click on the 'Publicly-Accessible eBooks' link.

Scroll through the book using the back and forward arrows at the top of a page. There are no options to 'Read Online' or 'Download' - **users can read online for an unlimited period**. As only one user can view an ebook at a time in Netlibrary, you may find occasionally access to a title may be denied, in which case, just try again a little later. Netlibrary offers a choice of interface languages.

If you have any particular problems with any of these resources, please contact m.dhillon@ucb.ac.uk, ext 412

For further support in using ebooks, use the 'Help' tab within each resource or come along to an [Online Resources Workshop](#).
